

## 2022-23 General Education Learning Outcome Report – Arts and Humanities

Definition: Students will be able to use analytical, critical, and speculative methods in understanding the human condition as articulated in literature, philosophy, religion, and the visual and performing arts.

Instructor name	Sharon S. Peregoy
Date	July, 10, 2023
Course (e.g., CS 101)	CS 133
Number of students assessed using the assignment below (not the # in the class)	6
Semester and year assessed (e.g., fall 2023)	Summer 2023
Identify the specific graded summative assessment(s)	Crow Style Presentation

Fill in the columns for the indicators that can be assessed using the specific graded summative assessment identified above (enter “NA” on the other rows)

General education indicators (break the skill down into 1-4 measurable indicators): <i>Students were able to...</i>	Results of assessment: For each indicator, indicate the % or # of students who performed below, at, or above expected levels (only include students whose work you assessed)			Next steps / reflections: For each indicator, write reflections on anything that stood out for you (e.g., changes in teaching, learning, or assessment strategies; areas for student growth; areas where students excelled; proposed curriculum changes).
	% or # below expected level (D/F grade)	% or # at expected level (C grade)	% or # above expected level (A/B grade)	
1. Identify & utilize analytical methods of human conditions	2	N/A	3/1	The students who presented this assignment were able to communicate their personal interpretation and conclusions on the topic.
2. Identify & utilize critical methods of human conditions	2	N/A	3/1	The students who presented this assignment were able to research, apply their experience and knowledge to communicate their personal interpretation on the project.  Next step: The Course was taught online (live) this semester. The presentation required tech savvy students and equipment to complete. Set up time to work with students/office hours in person or phone, virtual. The students who did not meet expected level were due to non participation.
3. Identify & utilize speculative methods of human condition	N/A	N/A	N/A	N/A
Teaching/learning success: Explain any teaching or learning strategies you found to be effective for students to learn these general education indicators.				Used a variety of youtube videos, the teacher developed powerpoints, discussions and one-on-ones.
